Smiling Phases
(Steve Winwood, James Capaldi, Chris Wood)
(Blood Sweat and Tears version)

Do yourself a favor,
Wake up to your mind
Life is what you make it
You see, but still you're blind

Get yourself together,
Give before you take
You'll find out the hard way,
Soon you're gonna break
Hey hey hey

Smiling phases
Showing traces
Even if they bust you
Keep on smiling through and through
And you'll be amazed at the gaze
On their faces as they sentence you

You don't need a lawyer
When you're in a fix
Someone gets to pay up
Your friends are full of tricks
But happiness is something
That you just can't buy
Own up to the truth girl,
Your love has gone on by

Smiling Phases bring you flowers
You can line 'em up
And you can watch 'em grow for hours
And you'll be amazed at the way that they stare
as they walk by your door.

Do yourself a favor,
Wake up to your mind
Life is what you make it
You see, but still you're blind

Get yourself together,
Give before you take
You'll find out the hard way,
Soon you're gonna break
Hey hey hey

Smiling phases
Going Places
Even if they bust you
Keep on smiling through and through
And you'll be amazed at the gaze
On their faces as they sentence...you!!
