

NIGHT SONG  
(Stephen Stills/Neil Young)

Tell me where  
Does it say  
When you're lost you stay that way  
Why a forest of fools getting in the way  
Cannot hear, cannot fade with the nightsong

Nightsong, from my heart  
Why not keep on  
Singing anyway

All alone  
I reflect on my demons in the night  
Some are wise  
Some are good  
Some are not so bright  
I can't hear  
Sing along with the nightsong

Nightsong, from my heart  
Why not keep on  
Singing anyway

Why not keep on singing anyway?

Run away  
I don't know what it was  
Led you astray  
Just because you're too much like I am anyway  
I will come  
You can't hide  
From the nightsong

Nightsong, from my heart  
Why not keep on  
Singing anyway

Why not keep on singing anyway?
