G C G
 I wonder if there's anyone remembers me in my hometown

I wonder what the folks would say
 A7 D7
 If I wandered in and just moseyed around
 G
 I wonder if they look at me

C G
 And say what's your name haven't we met before
 C G D7 G
 To me it would seem like a wonderful dream to be in my hometown

 I'd like to see the little house where I was born in my hometown

I'd like to wade the creek again
 A7 D7
 And see where I hid all the treasures I'd found
 G C G
 I wanna just remember all the places I knew when I was a kid
 C G C D7 G
 To me it would seem like a wonderful dream to be in my hometown
