

## Just Go Tell Jesus On Me

1.

If from the presence of Jesus I stray  
And my fall you happen to see.  
Remember it's best, if I fell by the way,  
To just go and tell Jesus on me.

Cho.

Many temptations surround me each day,  
And whatever I'm out to be  
But if I should stray from the straight narrow way,  
Just go and tell Jesus on me.

2.

Just go and tell Jesus on me,  
Whatever my weakness may be.  
If you are my brother, don't go tell another,  
Just go and tell Jesus on me.

3.

As through the journey of life here below  
Whatever my faults may be  
Don't you ever tell anyone here below,  
Just go and tell Jesus on me.
