

## **Beautiful Meath**

**G**  
I've travelled many counties in Ireland  
**D7**  
but there's still one I'm longing to see  
**Am D7**  
it has been a part of my homeland  
**G**  
and it brings back fond memories to me  
where I wandered alone in my childhood  
**D7**  
reviewing the sights I once seen  
**Am D7**  
as I walked through the parks and the forests  
**G**  
'round the beautiful county of Meath.

(Chorus)

**G**  
Oh, beautiful Meath, you've got all that I need,  
**D7**  
your rivers they flow with delight  
**Am**  
your fields are so green,  
**D7**  
there's plains to be seen  
**G**  
and your towns are so gay and so bright  
**D7 G**  
fishing down on the Boyne, I remember the time  
**D7**  
you would think it was all just a dream  
**Am D7**  
and wherever you roam, there's no place like home  
**G**  
and the beautiful county of Meath.

I've seen Eire's beautiful castles  
and it's history I've learned so well  
I've read of of Tara  
and the wonderful Book of Kells  
where the slain still remember St. Patrick  
he lit a fire for the people to see  
'ere he brought love and kindness to Ireland  
and the beautiful County of Meath.

(Chorus)
